

# Inventor Submission Guidelines

Got ideas? If your invention falls within the scope of our current pursuits, we'd like to hear from you

## MISSION STATEMENT

GAME intersects technology with creativity to create need-based solutions or activities for the pool and surrounding area that delight the customer. The words that customers use to describe GAME are: innovative, techy, fun & functional.

## AREAS WE ARE LOOKING FOR INVENTIONS

1. Pool/Spa
2. Entertainment Area (BBQ, Lounging, Fire Pit, Dinner)
3. Porch (Gateway between yard and home)
4. Surrounding yard
5. Maintenance & Storage

## NEW CONCEPT ACCEPTANCE CRITERIA

- Unavailable for purchase on the market
- Not already presented at any tradeshow or shown to any retailers
- Not intuitively obvious to someone developing products at a pool company
- Meets our mission statement
- Legally protectable in some manner
