GAME™ FRESHENS UP YOUR SUMMER
THE AQUALIVIN' OUTDOOR SOLAR SHOWER™
COMBINES CONVENIENCE WITH CLEANLINESS

Scottsdale, AZ. (2008) – Chlorine has finally met its match! Now you can enjoy a warm, refreshing shower right next to your pool or spa with the AquaLivin'™ Outdoor Solar Shower™ from GAME™.

Once your swim is over there's no longer a need to go inside to wash off all those chemicals. Just hop right in to the Outdoor Solar Shower where you can clean up without the fuss. Your guests will love the accessibility of having a shower right at their fingertips without having to leave the fun!

Easy to use, the Outdoor Solar Shower is a necessity for every backyard. You can now easily wash off the dirt before jumping into the pool and chlorine once you get out! No installation or plumbing needed; simply attach a garden hose to the Solar Shower cylinder and you are ready to go. The Outdoor Solar Shower's design lets you adjust the temperature from hot to cold for the perfect experience.

Built for the outside with weatherproof, non-corrosive materials, the Outdoor Solar Shower's durable construction will last all year long.

The Outdoor Solar Shower will be available this spring for a suggested retail price of \$199.99.

GAME (Great American Merchandise & Events) is recognized worldwide for its extensive line of pool and spa accessories including the popular Underwater Light Show™, as well as Derby Duck ® and Turbo Turtle ® fundraising events that have generated millions of fundraising dollars for charities across the globe.
