Re: **GAME introduces Water Bomb Factory™**

Scottsdale, Ariz. — Great American Merchandise and Events (GAME) has added the Water Bomb Factory™ to the company's collection of fun outdoor water toys.

Water Bomb Factory makes filling and tying water balloons faster and easier than ever! Attach it to a patio table, hook up a garden hose, and children can fill and tie up to 100 water balloons in just 10 minutes. It's the best thing to happen to balloons since water.

The 6.25-inch-high accessory has a water-conserving on/off valve and a lever on top that practically ties the balloons itself. Water Bomb Factory is recommended for ages 6 and up, requires no batteries, and comes with 100 balloons.
