PLANT SOMETHING NEW THIS SUMMER

THE NEW AQUAGLOW™ FLOATING LIGHT GARDEN™ FROM GAME™ IS AN ILLUMINATING AND DECORATIVE BOTANICAL WONDER

Scottsdale, AZ. (Summer 2008) – Brighten up your home with the AquaGlow™ Floating Light Garden™ from GAME™. Whether you are adding pizzazz to your outdoor living space, or searching for a way to incorporate some romance into your home, the Floating Light Garden adds illumination and charm to any setting.

Featuring a set of three decorative flowers in a warm bouquet of glowing colors, the Floating Light Garden adds a lovely lighting accent to interiors and exteriors alike. The Floating Light Gardens features bright and colorful LEDS that create four different lighting effects.

Tired of watering your garden? There's no water required with the Floating Light Garden. Sit back and watch your botanical paradise change from vibrant red to gorgeous green and fade into a stunning blue. Blossoming in a variety of floral designs and several brilliant colors- purple, orange, green, yellow, red and pink, your light garden will always be in bloom.

Float your new garden in the swimming pool, spa, bathtub and fountain and create a luminous and inviting atmosphere. No need to use those boring old candles for centerpieces! The Floating Light Garden will be the talk of any occasion as you set them in decorative bowls of water. Use the light garden to dress up your walkway while adding a special elegance to any party setting.

Equipped with a one-hour automatic shut off, The AquaGlow Floating Light Garden is safe and easy to use. Each unit is powered by two 3V batteries (included). Simply press the on button and watch as your new garden gleams with color.

Each AquaGlow Floating Light Garden set contains a rose, daisy and lotus flower in a random assortment of colors. The Floating Light Garden is available this summer for an approximate retail price of \$14.99 at retailers nationwide.
