GET THAT SUMMER GLOW YEAR ROUND

THE AQUAGLOW™ FLOATING GLOW LANTERN™ **LIVENS UP YOUR DÉCOR**

Scottsdale, AZ. (Summer 2008)- Illuminate any setting with the AquaGlow™ Floating Glow Lantern™. These contemporary luminaries utilize the latest in modern technology while adding character to your sun room, backyard and even inside your home.

Your nights will be more magical as the Floating Glow Lantern's LED lights create an exotic and colorful ambiance. Each lantern has four different lighting modes showcasing a variety of vibrant colors; fading from blue to green to red.

Perfect for the pool, spa or fountain, the possibilities are endless! Group multiple lanterns together on the patio and you'll have a lively and sensational spectacle. For a more romantic atmosphere hang them from an umbrella then sit back and relax under the evening glow.

Revitalize the interior of your home and display Floating Glow Lanterns as a centerpiece, lighting accent or even use to add color to a dreary space. Floating Glow Lanterns are collapsible for easy storage or keep your

lanterns as a permanent fixture year round as they are weatherproof and watertight.

GAME's Floating Glow Lanterns are sold individually and are simple to hang with the included ring loop.

The Floating Glow Lanterns are powered by three AA batteries (not included) and available nationwide this summer for an approximate retail price of \$19.99.

GAME (Great American Merchandise & Events) is recognized worldwide for its extensive line of pool and spa accessories including the popular Underwater Light Show™, as well as Derby Duck ® and Turbo Turtle ® fundraising events that have generated millions of fundraising dollars for charities across the globe.
