## **EXPLORE A NEW UNIVERSE RIGHT IN YOUR OWN BACKYARD**

### **TURN YOUR POOL INTO AN INTERGALACTIC ADVENTURE WITH THE AQUAGLOW™ UNDERWATER LIGHT STARSHIP™**

Scottsdale, AZ. (Summer 2008) – Now you can travel to a new dimension- without ever leaving the backyard- with the innovative new AquaGlow™ Underwater Light Starship™ from GAME™, makers of the widely popular Underwater Light Show™. Utilizing LED technology, the AquaGlow Starship creates a unique lighting experience for your pool that transports you into a galaxy of light and color.

Truly out of this world, the starship will amaze friends and family as it fills the pool with rotating patterns of dazzling light and color. Your swimming pool becomes a virtual disco ball as the Underwater Light Starship takes off with ten different and surprising light shows.

The fun never ends with the Underwater Light Starship! Designed with a special rotating option, colors and patterns twist and turn inside the water keeping the show a continuous surprise.

Get your groove on as colorful rays of dancing light bring an exciting party atmosphere to your backyard. Equipped with 30 specially designed lenses which magnify the light from the LEDs, the starship flashes reds

blues and greens creating a constellation of various patterns and colors! Add extra starships to larger pools for an even more dramatic show.

For hours of continuous fun, set the custom auto-off timer for one, two, three or even four hours. With four AA batteries (not included), the Underwater Light Starship is easy to use and fully functional right out of the box.

The AquaGLow Underwater Light Starship is available nationwide for an approximate retail price of \$29.99.

GAME (Great American Merchandise & Events) is recognized worldwide for its extensive line of pool and spa accessories including the popular Underwater Light Show™, as well as Derby Duck ® and Turbo Turtle ® fundraising events that have generated millions of fundraising dollars for charities across the globe.
